### **The Cabrini Pledge**

This past Thursday the Church celebrated the feast of Saint Frances Xavier Cabrini. Mother Cabrini was a fierce advocate, protector and educator of newly arrived immigrants in New York. Our New York State Bishops have taken the opportunity of her feast day to issue a statement on immigration. It is a very nuanced letter acknowledging the challenges being faced in this country on immigration today. This includes the duty of our government to secure our borders and also the application of penalties to those who commit crimes but it should not include the arbitrary cancelation of the legal status of hard-working and law-abiding immigrants who are making valuable contributions to our nation and who have proven themselves to be good neighbors. Our New York State bishops in solidarity with the US Catholic Conference of Bishops are urging our civil leaders to enact needed immigration reform that would replace fear with compassion. If you too want to express solidarity, you could sign "The Cabrini Pledge" which affirms Catholic teaching such as the dignity of every person and the recognition that all laws and imperatives are subject to the Great Commandments of love and charity. Copies of the letter are available in the church. I urge you to read it in its entirety. To sign the pledge you could scan the QR code found on the letter or go on line to the US Bishops' website: [www.usccb.org/cabrinipledge](http://www.usccb.org/cabrinipledge).

Because of the constant intake of bad news, many people no longer believe in the Providence of God nor trust that he has a plan for us a charismatic host, you will gain practical tips and spiritual reflection on the practices of the Advent calendar, Advent wreath, Jesse tree, and nativity scene.
